The DSM-5 Conundrum: Improving the Treatment through Proper Diagnosis

September 21, 2015; Calgary
Presented by Allen Frances, MD

Please join Dr. Allen Frances, the chair of DSM IV Task Force and author of best selling book "Saving Normal" for a one-day workshop on what went wrong with DSM 5 and how to avoid the pitfalls while using it.

Certificate in CBT Fundamentals
Edmonton; Sept 17 - Oct 27, 2015
Calgary; Oct 8 - Nov 10 2015
Presented by Deborah Dobson, PhD

The 30-hour practice and skills-based Certificate program will focus on the fundamentals of CBT's core competencies and will include assessment, case conceptualization, practical tools and techniques. The focus will be on integration and application of learning in daily practice.

For more information including the student testimonials of last year's sold-out program, please click on Edmonton or Calgary delivery.

Parenting Capacity Assessment in Child Protection Matters

Oct 5 - 30, 2015; ONLINE
Presented by Peter Choate, PhD RSW (Clinical Registry)

This online course will focus upon practical processes for the assessments along with appropriate theory. The course will also address how and to what extent psycho-metric evaluation can be

useful; how collateral data sources fit into the assessment and how to present the report and conclusions in ways that are useful to the diverse audiences of child protection workers, parents, lawyers and the courts. Best practice for report writing is considered as is representing the assessment and findings in court.

Clinical Social Work Supervision

Oct 19 - Nov 23, 2015; ONLINE

Presented by Jane Matheson, PhD RSW (Clinical Registry)

This online workshop is intended to be practical and geared for the professional who is already doing supervision, or is on the cusp of a supervisory position and has substantial front-line clinical experience. The workshop will explore the theoretical and structural underpinnings of supervision and then examine a variety of issues from the supervisor's point of view.

Evidence-Based Treatment of Anxiety and Related Disorders

November 5 - 6, 2015; Lethbridge

Presented by Martin Antony, PhD

This workshop provides training in evidence-based strategies for treating a range of anxiety and related disorders in adults and children. Dr. Antony will emphasize the importance of case formulation and core treatment principles that cut across anxiety-based problems, including obsessive-compulsive disorder, panic disorder, post traumatic stress disorder, social anxiety disorder, generalized anxiety disorder, specific phobias, health anxiety, and related problems.

CANADIAN ASSOCIATION ON GERONTOLOGY 44th Annual Educational and Scientific Meeting From Possibility to Practice in Aging: Shaping a Future for All 23 - 25th October, 2015; CALGARY

The Faculty of Social Work, University of Calgary is proud to host the premier conference on gerontology in Calgary this year. Join us for Canada's premier multidisciplinary conference for those interested in individual and population aging. This year we explore how research, policy and practice can shape a future for all.

Please visit www.cag2015.ca for more information on the conference including Call for Abstracts. The conference is eligible for ACSW (Alberta College of Social Workers) Category "A" credits for Registered Social Workers in Alberta.

Seminar Series in Peace and Global Citizenship

Calgary Centre for Global Community and the Consortium for Peace Studies at the University of Calgary are offering these seminars with the goal of introducing participants to basic principles of peace and global citizenship. The series is co-sponsored by Centre for Social Work Research and Professional Development, Faculty of Social Work, University of Calgary and are approved for ACSW Category "A" credits.
