

Nurturing Diversity

The Diversity Committee at NAS Inc. would like to invite you to participate in a short anonymous survey. We would like to find out your thoughts and experiences about working with and serving culturally diverse populations. Your insight will be valuable in the upcoming “Nurturing Diversity and Building inclusive Workplace” training in order for the trainers to meet your needs, expectations and interests. To access the survey log in as staff on the NAS Inc. website and look for the Workplace Diversity Survey. If you have difficulty accessing the survey and would prefer a paper copy please contact Pamela Warenko either by telephone at 403-242-6672, extension 104 or by email at pamela.warenko@newageservices.ca. All surveys filled out are kept confidential. The committee would like to strongly encourage you to participate in the survey and to complete it in a timely manner so we can tabulate the results and use them to aid our training.

Thank you all for your anticipated participation.
