I agree that I have received from New Age Services a water thermometer and information hand out on water valve and bathing protocol, and that its usage has been fully explained to me by my team leader.

I have read, clarified and understood the above stated information and agreed to follow this training and process for the client I provide service for.

I agree to provide this training for any respite I use for the client I provide service for, I will have respite sign an agreement that they have received and understand the training and agree to follow it.
